

### **Amendments to the Drawings**

Figure 1 is amended to include the change in page number, "1/4." A copy of amended Figure 1 is included herewith.

Figure 2 is amended to include the change in page number, "2/4." A copy of amended Figure 2 is included herewith.

Figure 3 is amended to include the change in page number, "3/4." A copy of amended Figure 3 is included herewith.

Figure 4 is added as a new drawing. Figure 4 includes an indication that one of the processors is a dedicated processor, as specified in the original claims of the application and in accordance with the Examiner's suggestion. Applicants submit that no new matter is added as a result of the addition of Figure 4. A copy of Figure 4 is included herewith.

The applicants respectfully request that the objections to the drawings be withdrawn.
